NMMSS Transition to Germantown, MD Complete March 25, 2009

Effective March 25, 2009, the day-to-day operations of NMMSS will be transferred to the DOE Germantown facility. At that time, your NMMSS data should be sent to Germantown, MD, instead of South Carolina.

The below information specifies instructions for getting data to the Germantown site, including the names, telephone numbers and e-mail addresses for the staff that will operate NMMSS.

The DOE and the NRC would like to thank the NMMSS user community for making this transition successful.
