

2012 Annual User Training

The NMMSS 2012 Annual User Training was held May 21-24, 2012 in New Orleans, LA. The four-day event provided a unique training and information sharing opportunity for the Nuclear Regulatory Commission (NRC) licensees and DOE/NNSA contractors. Twenty hours of training was provided through presentations, demonstrations, and hands on interactive one-on-one sessions with subject matter experts on specific technical issues or concerns. Topics included SAMS 8.0 installation and use; transactions relating to receipts, transfers, in place activity, corrections, and foreign obligation reporting; inventory reporting, and material balance reporting.

NMMSS 2012 Meeting Presentations and Photographs

A new link has been added to the NMMSS homepage "NMMSS 2012 Meeting Presentations and Photographs." From here you may open and download the presentations from the 2012 user meeting as well as photographs.

New NMMSS Homepage Address

To simplify access to the NMMSS home page a new, shorter address has been activated that will re-direct you to the NMMSS home webpage.

The new address is: <http://nnsa.energy.gov/nmmss>

The previous address is still active and can also be used:
<http://nnsa.energy.gov/aboutus/ourprograms/nuclearsecurity/nmmsshome>

Save the Date - 2013 NMMSS User Annual Training

The 2013 NMMSS User Annual Training is scheduled for May 20-23, 2013. Further information on location will be announced when that information is confirmed.

SAMS 8

SAMS 8, the most current version is available upon request. If you would like a copy of this software please request by E-Mail (NMMSS@nnsa.doe.gov), FAX (301-903-1998) or phone Greg Perry at (301-903-3656). Please provide the name and address of the person it is to be sent to as well as the RIS ID.

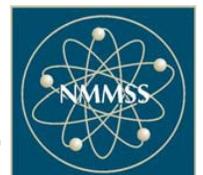

DOE/NRC 741 Crosswalk to SAMS

A PDF file has been added to the NMMSS website which contains a crosswalk between the DOE/NRC 741 and the SAMS 8 software. The link is located on the "NMMSS Information" screen at:

<http://nnsa.energy.gov/aboutus/ourprograms/nuclearsecurity/nmmsshome/nmmssinfo>

D-2/D-3 Updates

In order for NMMSS to handle facility data correctly and efficiently, the database must contain correct and up-to-date information. This includes your contact information with phone numbers and email address, facility name, and facility address. All RIS holders are encouraged to review the D-2/D-3 data NMMSS has for your facility each year. (continued on page 2)

D-2/D-3 Updates (continued from page 1)

Please take a few minutes to call a NMMSS staff member and request a copy of your current D-2/D-3 facility information. The report will be sent to you for review. Any changes can be noted on it and sent back to NMMSS via FAX or to the NMMSS Mailbox for entry into the system.

NMMSS Training Course for NRC

NMMSS training for NRC Licensees is scheduled for **November 6-8, 2012**, at DOE Headquarters, in Germantown, MD. This course is designed for individuals with limited experience in NRC reporting requirements and is based on NUREG/BR-0006, Rev. 7 and NUREG/BR-0007, Rev. 6. The following topics, among others, will be included:

- Completion of data forms: transactions, inventory and material balance
- Inventory reconciliation
- Foreign Obligations reporting
- Report products

The desired class size is 10 or less. A minimum of 6 will be required to conduct the class. You may register for the class by contacting John Ballard at 301-903-0092, or by email at John.Ballard@nnsa.doe.gov. Due to security requirements entering the DOE Germantown facility, be sure to include your name, nationality, job title, facility name, address, telephone number and email address. Due to security requirements entering the DOE Germantown facility, all potential students who are not US citizens MUST register for this workshop at least 45 days prior to the instruction dates. There is no cost for this course.

If interested, please respond by October 15, 2012

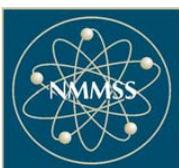

Upcoming NMMSS I training Course for DOE

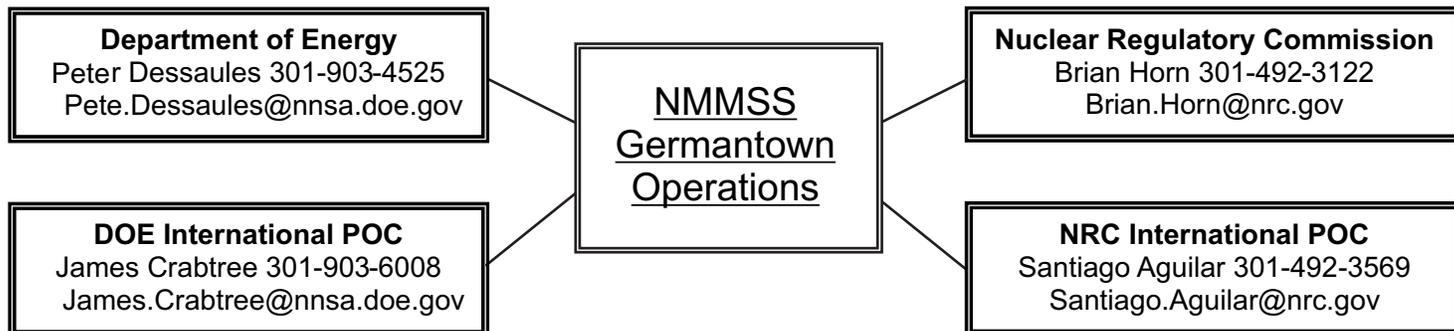

The DOE NMMSS I (MCA-112) training course has been scheduled at DOE Headquarters, Germantown, Maryland, for **March 12-15, 2013**. This course is designed to help personnel who have fewer than two years experience in nuclear materials accounting. A minimum of 6 will be required to conduct the class. There will be no training fees for DOE personnel or DOE contractors. Contact John Ballard at 301-903-0092 or by email at john.ballard@nnsa.doe.gov with questions or to reserve a spot in the class. Students will also be required to register for the class with the NTC at www.ntc.doe.gov.

Upcoming NMMSS II Training Course for DOE

The DOE NMMSS II (MCA-212) workshop has been scheduled at Idaho Operations Office (ID-IOO), Idaho, for **June 11-13, 2013**. This workshop is a follow-up to NMMSS I, and addresses topics and report products associated with nuclear materials accounting as they apply to NMMSS. Participants are also encouraged to bring NMMSS-related issues and problems they are currently experiencing to the workshop for discussion. The NMMSS I course (MCA-112) is a prerequisite for the NMMSS II workshop.

The desired class size is 12 or less. A minimum of 6 will be required to conduct the class. You may register for the class by contacting John Ballard at 301-903-0092 or by email at john.ballard@nnsa.doe.gov. Be sure to include your name, job title, facility name, telephone number, and email address. Students will also be required to register for the class with the NTC at www.ntc.doe.gov. There are no training fees for DOE facility/ office personnel or DOE contractors.

The NMMSS classified mailing address is available on the Safeguards and Security Information Management System (SSIMS) or by calling a NMMSS analyst. Identify Xavier Ascanio as recipient and NA-73 as the organization.

IMPORTANT: The “DO NOT X-RAY” marking does not prevent incoming packages from being sanitized. Please package CDs in cardboard rather than plastic casings. The plastic is heated by the sanitization machine, thereby warping the disk. There is less chance of this occurring if the data is packaged in cardboard.

For information on transmitting classified data to NMMSS electronically, contact Jim Crabtree, 301-903-6008 or James.Crabtree@nnsa.doe.gov.

NMMSS News is sponsored by the Department of Energy (POC: Pete Dessales; Pete.Dessales@nnsa.doe.gov, 301-903-4525) and the Nuclear Regulatory Commission (POC: Brian Horn; Brian.Horn@nrc.gov, 301-492-3122). General comments on this publication may be made by contacting Gregory Perry; Gregory.Perry@nnsa.doe.gov, 301-903-3656
