MEMORANDUM FOR DISTRIBUTION

FROM:

JAMES J. MCCONNELL 
ACTING ASSOCIATE ADMINISTRATOR
FOR INFRASTRUCTURE AND OPERATIONS

SUBJECT:

Acceptance of the National Nuclear Security Administration
Fiscal Year 2014-2023 Ten Year Site Plans

The National Nuclear Security Administration (NNSA) has completed its review of the Fiscal Year (FY) 2014-2023 Ten Year Site Plans (TYSPs) for the NNSA sites and the Office of Secure Transportation. Your FY 2014-2023 TYSPs are accepted. Please extend our sincere appreciation and gratitude to all who have participated and collaborated in developing these plans.

The TYSPs were well done and aligned with the Program of Record including the President's FY 2013 budget, the FY 2014 Stockpile Stewardship Management Plan goals and direction, the 2010 Nuclear Posture Review and the Records of Decisions. The TYSPs are clearly planning documents and do not necessarily reflect final decisions.

Due to frequent requests for the TYSPs under Freedom of Information Act and to promote transparency and openness in Government, the FY 2014-2023 plans will be made available to the public. The plans will be posted to a public web site within the next 60 days of the acceptance date on this memorandum.

DISTRIBUTION
