Clayton,
Below is a copy of the latest Workforce Report. You can see how it's broken out. My DOE contact person is Parodio Maith, [REDACTED]

Subject Characterization of DOE, USFS, and WSI Workforces

Betty

Hopefully you're the right person to go to for some info I require for purposes of preparing an environmental impact statement. I need to know generally how the workforces for DOE, USFS, and WSI are broken out (i.e., administrative, security, engineers, etc.). Can you help me out here?

Thanks.
