RE: Submittal of Final Technical Basis Agreement Document for Corrective Action Unit (CAU) 99: Rainier Mesa/Shoshone Mountain, Nevada National Security Site, Revision 1, January 2013

Dear Mr. Boehlecke:

The Nevada Division of Environmental Protection, Bureau of Federal Facilities staff (NDEP) has reviewed the above-referenced document, which was received on February 5, 2013. A Notice of Completion for the milestone of the Technical Basis Agreement for Corrective Action Unit (CAU) 99: Rainier Mesa/Shoshone Mountain, pursuant to Subpart XXV.1 of the FFACO, was sent on January 18, 2013 after receipt of the Revision 0 on December 19, 2012.

The NDEP's suggested revisions to Revision 0, the draft document for the NDEP, were incorporated into Revision 1. Therefore, the NDEP accepts the Final Technical Basis Agreement Document for Corrective Action Unit (CAU) 99: Rainier Mesa/Shoshone Mountain, Nevada National Security Site, Revision 1, January 2013, awaits the written results of the modeling studies for this CAU, to be detailed in a modified flow and transport document, and grants the DOE's request to propose an alternative Rainier Mesa/Shoshone Mountain strategy.

If you have any questions or comments regarding this matter, please contact either me or Christine Andres at (702) 486-2850, ext. 231 or 232, respectively.

Sincerely,

T. H. Murphy  
Chief  
Bureau of Federal Facilities
