Federal Facility Agreement and Consent Order (FFACO)

Dear Mr. Boehlecke:

Nevada Division of Environmental Protection, Bureau of Federal Facilities staff (NDEP) has received and reviewed the above-referenced document, submitted by the National Nuclear Security Administration/Nevada Field Office via email on October 24, 2013.

The NDEP accepts the Revised Final Alternative Modeling Strategy and New FFACO UGTA Strategy Decision Process for CAU 99 and understands that all previous versions received, such as those dated April 22, July 1 and October 17, 2013, have been superseded by this October 24, 2013 version.

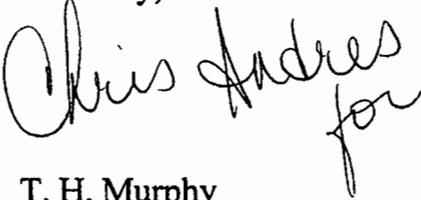

With the acceptance of this CAU's Revised Final Alternative Modeling Strategy and New FFACO UGTA Strategy Decision Process, the NDEP awaits the modified flow and transport document.

If you have questions regarding this matter, please contact Chris Andres of my staff at (702) 486-2850, ext. 232.
