

# How You Can Submit Your Comments

## Court Reporter

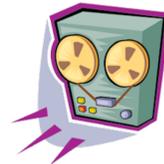

A court reporter is available to record comments at the hearings or made privately.

## Computer

Comments may be entered using the laptop computer provided at the public hearings.

## Voice Recorder

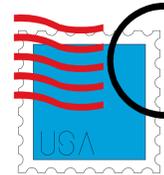

A voice recorder is available to take your verbal comments.

## Comment Form

Comment forms are available in the registration area and on the comment table. If you would like to give us written comments, please feel free to use the comment form and drop it off at the registration table when you leave. Alternatively, you may mail your comments to NNSA at the address listed below.

## U.S. Mail

Written comments on the scope of the CMRR-NF SEIS or requests for more information on the SEIS and public hearing process should be directed to:

**Mr. John Tegtmeier, CMRR-NF SEIS Document Manager**  
**U.S. Department of Energy**  
**National Nuclear Security Administration**  
**Los Alamos Site Office**  
**3747 West Jemez Road, TA-3, Building 1410**  
**Los Alamos, New Mexico 87544**

## e-Mail

You may submit your comments electronically to the following e-mail address:  
**[NEPALASO@doeal.gov](mailto:NEPALASO@doeal.gov)**

## Toll-Free Phone

In addition to providing comments at the public meetings, all interested parties are invited to record their comments, ask questions concerning the SEIS, or request to be placed on the SEIS mailing or document distribution list by leaving a message on the SEIS hotline at **1-877-427-9439**. The hotline will have instructions on how to record comments and requests.

## Facsimile

A fax number is also available to submit your comments:  
**1-505-667-5948**

## Stay Updated

As the CMRR-NF SEIS progresses, regular updates will be provided primarily through our website:  
**<http://NNSA.energy.gov/nepa/CMRRSEIS>**

All comments are due **June 28, 2011**; those received by that date will be considered by NNSA in preparation of the final SEIS. Comments received after that date will be considered to the extent practicable.
