MEMORANDUM FOR DISTRIBUTION

FROM: MICHAEL A. THOMPSON 
ASSISTANT DEPUTY ADMINISTRATOR
FOR INFRASTRUCTURE AND CONSTRUCTION

SUBJECT: Acceptance of the National Nuclear Security
Administration (NNSA) Fiscal Year (FY) 2012-2021
Ten Year Site Plans (TYSPs)

The NNSA Headquarters has completed its review of the FY 2012-2021 TYSPs for the NNSA Site Offices and Office of Secure Transportation. Your FY 2012-2021 TYSPs are accepted. Please extend our sincere appreciation and gratitude to all who have participated and collaborated in developing this year's Plans.

This year's TYSPs were well done and aligned with the 2010 Nuclear Posture Review, the Stockpile Stewardship Management Plan (SSMP) goals and direction and the Records of Decisions. These Plans are clearly planning documents and do not necessarily reflect decisions or proposed decisions.

Due to the frequent requests for the TYSPs under the Freedom of Information Act and to promote transparency and openness in Government, the FY 2012-2021 plans will be made available to the public. The TYSPs are also available publicly in accordance with the Stipulated Order in the case of Nuclear Watch New Mexico v. DOE/NNSA, Civil No. 06-221 BB/WPL. Your Plans will be posted to a public web site within 60 days of the acceptance date on this memorandum.

Distribution:

Mark L. Holecek, Manager, Kansas City Site Office
Kevin W. Smith, Manager, Los Alamos Site Office
Alice C. Williams, Manager, Livermore Site Office
