## 2011 NMMSS User Meeting

**Please ensure that in addition to your hotel reservations you also register for the user meeting.**

Below are two links to use to sign up for the meeting and to make hotel reservations. Both of these can be found from the NMMSS home webpage by selecting the "2011 NMMSS Conference" tab on the left side of the page. When you successfully register for the user meeting you will receive confirmation E-Mail verification.

#### **Meeting Registration Link:**

#### **NMMSS 2011 Users Annual Training Meeting**

You are invited to attend the 2011 Nuclear Materials Management and Safeguards System (NMMSS) Users and Training Meeting sponsored by the Department of Energy (DOE) and the Nuclear Regulatory Commission (NRC). The 2011 meeting will be held at the San Diego Marriott Gaslamp Quarter hotel May 17-19, 2011. We have an exciting meeting planned with focus on up-to-date developments, system training and orientation. There will be time for an exchange of ideas, lessons learned, and to find creative solutions to address our common challenges.
